

Reconnect - Rule of Life

In our life as a community, we seek to recognise Jesus as Lord, therefore:

We will seek to live lives that grow in worship and prayer...seeking to encounter God in his Word, in each other, in prayer and in his creation,

We will seek to live life simply...recognising that our time, talents, money and possessions are to be increasingly surrendered to God and his Kingdom,

We will seek to live accountably...being open and honest, forgiving one another and encouraging one another to grow as disciples of Jesus,

We will seek to live for others...practising hospitality and healing, serving those around us and inviting others to explore the full life found in Jesus,

We will seek justice for all creation...living lives that promote justice for others and the environment they live in, and being open to tackling issues of injustice,

...trusting in the help of God's Holy Spirit.
